COSTUMING

RSGD provides all Traditional Costuming for their students for our mid and end of year concert production. Our extensive wardrobe expands every year with the addition of new costumes.

At concert time each child will receive their costumes in a labelled bag which is itemised with its content. If costumes need to be altered this will be done for you. All costumes organized by RSGD and all students have costumes to wear for our concert performances.

To cover the cost of this very time consuming and expensive task in term 3 the following charges will apply:

- * \$15.00 charge for the first costume (child)
- * \$25.00 charge for the first costume (adult)
- * \$8.00 charge for every subsequent costume required at concert time (child)
- * \$15.00 charge for every subsequent costume required at concert time (adult)

A charge will apply for any lost or damaged items.

Basic items such as dance shoes, stocking and leotards are to be purchased independently.

Traditional Costumes remain property of RSGD therefore extremely cost effective for RSGD families as outright purchasing of costumes is not required.
